## Summary

Full Stack Developer with MERN stack expertise from intensive training and hands-on projects. Transitioned from a 3-year MIS Executive role, applying data analysis and collaboration skills to build scalable web applications. Proficient in React.js, Node.js, and MongoDB, with projects like e-commerce platforms and data dashboards. Passionate about delivering high-quality, user-focused code.

## Skills

- **Languages:** HTML5, CSS3, JavaScript, NoSQL (MongoDB)
- **Frameworks/Libraries:** React.js, Express.js, Node.js, Chart.js, Tailwind CSS, Redux Toolkit, Zustand, Razorpay, Cloudinary
- **Tools:** Git, GitHub, Postman, Excel, PowerPoint
- **Platforms:** Visual Studio Code, Netlify, Render, Razorpay
- **Soft Skills:** Problem Solving, Data Analysis, Communication, Time Management

## Experience

### Besant Technologies *MERN Full Stack Developer Trainee*

- Mastered MERN stack (HTML, CSS, JavaScript, React, Node.js, Express.js, MongoDB) via part-time training.
- Built full-stack applications, including a collection dashboard and e-commerce platform.

### Dvara E-Dairy *Senior MIS Executive*

- Automated lending and collection MIS reports in Excel, tracking cases, tasks, and approvals.
- Created 6–7 monthly PowerPoint dashboards for management, comparing planned vs. actual targets.
- Managed NDC tickets and claims, coordinating with field and insurance teams.
- Collaborated with tech teams to streamline data integration and reporting automation.

## Projects

### Collection Dashboard (MERN Stack)

- Built a secure, role-based dashboard to manage collection data (5000+ records).
- Enabled admin features for Excel data operations with role-based access control.
- Integrated Chart.js and Material UI for interactive visualizations.

### E-commerce Website (MERN Stack)

- \* Developed an e-commerce site with authentication, admin panel, cart, and Razorpay payments.
- \* Used JWT, Cloudinary, and Tailwind CSS for secure, responsive UI.
- \* Added pagination and alerts with SweetAlert2 and React Hot Toast.
- \* **Links:** [Live Demo](#) | [GitHub Repo](#)

## Achievements Awards

- Received Trailblazer Award twice for achieving 100% MIS accuracy and timely delivery at Dvara E-Dairy.
- Ranked 3rd among 50+ participants in the annual health marathon, demonstrating discipline and commitment.
